## **104 SCHOOL DISTRICT MISSION STATEMENT**

### **I. PURPOSE**

The purpose of this policy is to establish a clear statement of the purpose for which the school district exists.

### **II. GENERAL STATEMENT OF POLICY**

The Governing Board believes that a mission statement should be adopted. The mission statement should be based on the beliefs and values of the community and its member school districts should direct any change effort and should be the basis on which decisions are made. The Governing Board, on behalf of and with extensive participation by the community and its member school districts, should develop a consensus among its members regarding the nature of the enterprise the Governing Board governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

### **III. MISSION STATEMENT**

“To partner with member school districts and industry to prepare students for careers, post-secondary education and life-long learning.”
